

## Kansas FFA Foundation, Inc.

### Introducing EFT....

***Now you can support the Kansas FFA Foundation  
without ever writing another check...***

Use Electronic Funds Transfer (EFT) —a convenient, almost effortless way to be part of the continuing success and excellence of the Kansas FFA Foundation and the programs it supports. To make your gifts via EFT, simply complete and return the accompanying EFT Authorization Form (see reverse) to the Foundation.

EFT is a safe, proven electronic funds transfer process that delivers your gifts directly and automatically from your bank to the Foundation, as designated by you. You remain in complete control of the amount and timing of your gifts since they are made in installments only as you have pre-authorized them. You let your bank disburse your gifts or pledge installments automatically until *you* decide to stop.

In fact, you can extend your contribution into installments over the entire year - benefiting your personal budget planning and making it more affordable to give, and to increase your support of the Foundation. EFT has been making giving easier for donors and non-profit organizations nationwide for more than a dozen years. You may already be using EFT technology to receive payroll or pension payments or to make mortgage, insurance, utility and other types of recurring expenditures.

The Foundation, as always, will receive your gift in full just as you have designated. With EFT, the Foundation can keep its administrative expenses down due to the fast, efficient and cost-effective gift processing. And everyone benefits from the reduced cost and number of telephone and mail requests and reminders. However you choose to contribute, your gifts are vitally important to the Kansas FFA Foundation and greatly appreciated.
