Giving to the Kansas FFA Foundation is now easier than ever

Manhattan, KS – March 13, 2006 – The Kansas FFA Foundation is pleased to announce the use of Electronic Funds Transfer program (EFT) as a convenient, almost effortless way to be a part of the continuing success and excellence of the Kansas FFA Foundation, Inc. and the programs it supports. To make a gift via EFT, simply log onto the Kansas FFA Foundation website at www.ksffa.org and follow the EFT link.

EFT is a safe, proven electronic transfer process that delivers your gifts directly and automatically from your bank to the Foundation, as designated by you. You remain in complete control of the amount and timing of your gifts since they are made in installments only as you have pre-authorized them. You let your bank disburse your gifts of pledge installments automatically until you decide to stop.

Contributions can also be extended in installments over the entire year which may benefit your personal budget planning and making it more affordable to give and to increase your support of the Foundation. EFT has made giving easier for donors and nonprofit organizations nationwide for more than a dozen years. You may already be using EFT technology to receive payroll or pension payments or to make mortgage, insurance, utility and other types of recurring expenditures.

The Foundation, as always, will receive your gift in full just as you have designated. Benefits of the EFT program are that the Foundation can keep its administrative expenses down due to the fast, efficient and cost-effective gift processing. However you choose to contribute, your gifts are vitally important to the Kansas FFA Foundation and greatly appreciated.

As a partner of the Kansas FFA Foundation, your sponsorship is 100% tax deductible. We certainly hope that individuals will choose to participate in the EFT program and help us to make a positive difference in the lives of students in agricultural education.
